THINGS ARE HAPPENING AT THE MAHONE BAY CENTRE

NEW CONVENTION ROOM

WHY FUNDRAISING? WHY NOW?

Many of our recent capital improvements have been possible through grants from the federal Atlantic Canada Opportunities Agency, who see the Centre as a viable community-based operation with good potential. We need to match these grants and additional funds are required for future capital improvements. For these reasons we are asking the community to step up by making a donation to the Mahone Bay Community Centre

HOW DOES IT WORK?

When you make a donation to the Mahone Bay Community Centre, you will receive a symbolic square foot of the MBC for every \$100.00 donated. Claim it in your name, the name of your business, your entire family, the decision is yours. In addition, with your approval, your generous donation to the Mahone Bay Community Centre will be proudly displayed on a donor wall in the entrance to the Centre on School Street.

DONORS WALL in entrance lobby

Please cut along the dotted line
